

Introducing Blackbaud University's eLearning Library for The Financial Edge™!

What is the eLearning Library?

- ♦ **The Financial Edge** eLearning Library is a collection of more than 110 online software lessons to help you master key concepts in General Ledger and Accounts Payable
- ♦ Each lesson takes you step-by-step through a particular function of **The Financial Edge**
- ♦ Take lessons whenever you need them, at your own pace! Since they are online, they are **always available**

Is the eLearning Library the same as training?

No. The eLearning Library is a resource to supplement traditional training — it is not a substitute for classroom training

How can the eLearning Library help me and my organization?

"We have a high staff turnover rate, and I need a way to get my new users up and running until they can attend a training class."

- ♦ The eLearning Library is a perfect way for new users to learn some basic tasks until they can attend training

"My training class was great, but there was so much information! I need an ongoing resource to return to when I need some reminders."

- ♦ You can reinforce what you learned in training any time you need to with the eLearning Library

"With each new update of The Financial Edge, new features are added to the software. How can I stay up-to-date?"

- ♦ The eLearning Library will feature lessons covering each new update of **The Financial Edge**

"My role within our organization has changed, and there are a few new areas of the software that I need to be able to use to fulfill my new responsibilities."

- ♦ With the eLearning Library, you can browse lessons by different roles and find the lessons you need to get you up-to-speed

a collection of more than 110 online software lessons to help you master key concepts in General Ledger and Accounts Payable
